## The WAFC is seeking Expressions of Interest for Community Football Tribunal Members

The West Australian Football Commission (WAFC) is the peak Australian Rules Football body in Western Australia and is the caretaker of football throughout the State and responsible for the overall development of the game. The WAFC is a not for profit organisation that plays an important role in funding the on-going development of football in all communities.

### The Community Football Tribunal

In 2018, the West Australian Football Commission is establishing an independent Community Football Tribunal to hear contested Reportable Offences from Junior and Senior Community Football leagues across the Perth Metropolitan area.

The WAFC seeks to establish a pool of tribunal members to hear cases throughout the 2018 season. The Community Football Tribunal will provide football stakeholders with a fair, clear and independent process in determining an appropriate penalty for committing Reportable Offences.

To appropriately service competitions across Perth there will be four tribunal locations each week based around Eastern Suburbs, Southern Suburbs, Northern Suburbs and Inner City.

The Community Football Tribunal will act for the following leagues:

- West Australian Amateur Football League
- Junior Football – Fremantle, Northern, Peel and Central Conferences
- Metro Football League
- AFL Masters WA

### What's Required?

Tribunal members will be required to be available fortnightly to sit on a Tribunal which will take place on a Tuesday or Wednesday night between 1 April and 30 September 2018 and attend an induction prior to the commencement of the football season. Tribunal members will operate on a rostered system throughout the season.

### Selection Criteria

Any person appointed to the Community Football Tribunal shall:

- be a barrister or solicitor holding a current practicing certificate within an Australian jurisdiction; and/or
- possess sufficient knowledge and experience of Australian football, as determined by the WAFC.
- be willing to hear a range of cases from Junior & Senior Football.

Please [Click Here](#) to submit an expression of interest.

*This is a volunteer role.*
